

# The Perfect Chaos Series (Me, You, Us)

Kennedy Bennett threw herself at her brother's best friend, Beckham Fox, on her 16th birthday, only to be denied. Now two years later, she's a freshman in college ready to start with a clean slate. Except on the first day, Beckham Fox reappears into her life and all the humiliation she pushed aside comes rushing back. Will she be able to break Beckham down or will his friendship with her brother continue to keep them apart?
