

Anthony Davis: The Man, the Player, the Unibrow (A Short Biography of the NBAs Newest Star)

Anthony Davis is the number one pick and one of the most exciting prospects of the 2012 NBA draft. He was picked by the New Orleans Hornets and is expected to take this team to new heights. A ridiculously skilled basketball player at 6 feet 10 inches, with the wingspan of Kevin Durant, the shooting touch and ball handling skills of a guard, as well as an intimidating defensive presence, he seems destined to be a superstar. Is he a superstar-caliber player? Is he up to the task of possibly leading a professional team? The word around the league is that he needs to grow. For the nineteen year old from southern Illinois, this should not be a problem. Growing is what he has done all his life. If you want to find out more about the NBA's newest star, read this short biography.
