

Billionaire Romance Series: Billionaire on a Train (Billionaire, Contemporary, Short Story)

From Amazon Bestselling Author, Lexi Duval, comes a new billionaire romance series, Billionaire on a Train! Readers should be 18+ for sex scenes and swearing. You just never know where you're going to meet someone. And you never know who that someone is going to be. My story starts with my morning commute. And it ends...well, I won't tell you where it ends. I get the same train to work each morning. Nice and early to avoid the rush to Manhattan and allow me to exercise before work. The train is always quiet when I get on, and I always sit in the same seat. I guess I'm a bit OCD, or maybe I just like to stick to my habits and routines. Whatever the case, there's never anyone sat in my spot when I get on. At least, not until he decides to sit there. I hadn't seen him before. I knew all the regular commuters, and he wasn't one of them. Some young, arrogant guy just sat there, tapping away on his laptop. He looked annoyingly smart, and annoyingly serious. Most of all, he was annoyingly hot. It's fair to say I hated him immediately. I thought it would be a one off. That he was just getting the early train for some special early morning meeting or something. That the status quo would be re-established the next day. But I was wrong. The guy appeared again, and again, until I really began to wonder just who he was.

He held a mystery about him, an air of wealth and importance. That was obvious by the cut of his suit, by the gold watches he'd wear, by the way he'd shout down the phone at people without a care

for the other passengers around him. This guy thought a lot of himself, I could tell. But still, I was drawn to him somehow, a helpless moth unable to fight the glow of the light. And soon, I'd learn a lot more about him. Soon, some of his secrets would be revealed... Billionaire on a Train is a short story, about 20,000 words, and is designed to be read in a couple of hours. Inside, you'll find some of Lexis' other billionaire short story collection, which you can enjoy at your leisure!
