

The Leadership Practices Inventory (LPI)-Deluxe Facilitators Guide Pkg 3rd Edition (Loose-leaf, with CD-ROM Scoring Software, Self/Observer, Workbk, Planner & Leadership Challenge book, 4th Edition)

Leadership is everyone's business. Everyone must function as a leader at some time and in some arena--whether in an organization, an agency, a task force, a committee, a community group, or even a family setting--and everyone can learn to lead effectively. The Leadership Practices Inventory (LPI) will show you how. The revised LPI now includes a new ten-point Likert scale, scoring software, more than 140 workbook exercises, and a three-month program for tracking your progress. The LPI Facilitators Guide outlines a detailed workshop design, including pre-work requirements and instructions for administering, processing, and scoring the instruments. It contains everything you need to facilitate the LPI program: LPI Self allows you to rate your performance and effectiveness as a leader. The accompanying Participants Workbook includes a worksheet to help interpret feedback, compare scores, share feedback, and then get results. LPI Observer provides a balanced picture of leadership traits and allows for constructive discussion of ways to improve. Windows-based Scoring Software on CD-ROM. The Five Practices of Exemplary Leadership article uncovers the fundamental practices that have enabled leaders to get extraordinary things done. The Leadership Practices Card serves as a handy reminder of the five-practices model long after participants have completed the program. **You'll need to get one LPI Self instrument for each

participant.
