

All for This (Here and Now Book 3)

This highly-anticipated conclusion to the Here and Now series. ****ALL FOR THIS** is the third book in the Here and Now trilogy. It is not a stand-alone and it's intended to be read after **LOST IN ME** and **FALL TO YOU**.** What if you would never remember the day you made the most important decision of your life? That's what they're telling me about the day of my accident—the day I put on Max's ring and chose him over Nate. I'm counting on the wisdom behind a decision I don't remember making. Max is amazing—sexy, sweet, and kind. I was starting to believe happily-ever-after might be in my future after all. Then the unthinkable happened and my world imploded. If I'm going to make this work with Max, I need my missing memories, or at least answers from about those five days before my accident. But what does my future hold if those answers aren't anything like I imagined?
