

Fooling Around With Cinderella (Storybook Valley) (Volume 1)

What happens when the glass slippers pinch Cinderellas toes? When Jaine Andersen proposes a new marketing role to the local amusement park, general manager Dylan Callahan charms her into filling Cinderellas glass slippers for the summer. Her reign transforms Jaines ordinary life into chaos that would bewilder a fairy godmother. Secretly dating her bad boy boss, running wedding errands for her ungrateful sisters, and defending herself from the parks resident villain means Jaine needs lots more than a comfy pair of shoes to restore order in her kingdom. First in the Storybook Valley series, a blend of sweet romance, chick lit, and fairy tale fun.
