

Full Circle Love: An Anthology of Cat & Zach Stories

Four short stories, written by Lori Leger, about recurring characters from Cajunflair Publishings SEASONS OF LOVE series. **LOVING CAT** – After twelve years in Dallas, Cathryn –Cat– McDaniel is home with two successful careers under her belt, but minus one fiancé. Her first night home finds her in a close encounter with Zachary Ferguson, her best buddy since grade school, and the real reason she can’t commit to any other man. **STILL LOVING CAT** – Zachary has waited over a decade for the only girl he’s ever loved. Two weeks shy of the most important day of their lives, an accident has Cathryn waking in a hospital with no memory of anything that happened in the past year. It’s up to Zach to remind her of the love she could not live without. **BABY BLUES CHRISTMAS** – Cathryn and Zach are juggling business and careers, breaking and entering, and the tough task of baby making. Throw in a little family drama and a dark secret and it makes for a memorable first Christmas together. **FULL CIRCLE SUMMER** – Cathryn and Zachary have run the gamut of emotions when it comes to their relationship. From childhood acquaintances, to friendship pacts, one-sided love, suppressed feelings, ugly secrets, comas, and amnesia, they’re finally settled and happy. An unexpected twist has them facing the challenge of their lives.
