

I Think Therefore I Play

Pirlo's profile could not be much higher, having competed in the Champions League final in May 2015 and then embarking on a new career signing with MLS side New York City FC in July 2015. The vibrancy, humor and vivid insight that carry Pirlo's autobiography along confounds his image as a dead-eyed assassin on the field of play. All the big names are in there: Lippi, Ancelotti, Conte, Maldini, Shevchenko, Sedorf, Buffon, Kaka, Nesta, Costacurta, Gattuso, Berlusconi and Ronaldo (the real one). But they're not always in their work clothes. We hear Berlusconi playing the piano and telling various types of joke at Milan's training ground. We see Pirlo and Daniele De Rossi drawing Nesta's ire as they take him on a mystery tour of the German countryside in a hire car days before a World Cup semi-final. And we smell the aftermath of Filippo Inzaghi's graphically described pre-match routine.
