

The Way of Yahovah: Book 1

Most of mankind follow the Way of Death because it seems right to them; their fallen nature desires to please the natural, lustful desires of their bodies. The Bible puts it this way: There is a way which seemeth right unto a man but the end thereof are the ways of death (Proverbs 14:12). The Way of Death didnt begin with man, but with a powerful angel named Lucifer who led a rebellion against GOD, the Creator. Later Lucifer spread his rebellion to mankind. The Creator developed a 7,000-year plan to subdue all rebellion, restore peace and harmony to His universe, and prevent further rebellion. The key element to Gods plan involves providing One born miraculously of a young woman, a virgin, into the human race. He would live, teach and lead repentant rebels to turn from the Way of Death (rebellion) and turn to the Way of Life (obedience). This book covers the Bibles Old Testament, which addresses the first 4,000 years of the Restoration Plan. It will be followed by a second book covering the Bibles New Testament and the last 3,000 years of the 7,000-year Restoration Plan. **THIS BOOK IS FOR YOU**, whether you are: an atheist, agnostic, new Christian convert, a Bible scholar or follower of one of the thousands of the worlds religions. As a new convert, after reading this book, you will have a sound foundation for learning and living the Way of Yahovah, the Way of Life. For the atheist or agnostic, you will receive a clear understanding of what the Bible, which claims to be the Word of the true Creator of

the universe, has to say regarding your future. It speaks of the destiny of those who reject the Creator and His Son; the only One Who can save man from eternal death and lead him into eternal life. You need to know what it says so you can make an informed, intelligent decision concerning your eternal destiny. It is the most important decision you will ever make. If you are a Bible scholar, there are many thoughts and considerations
