

Coloring Books for Grown Ups: Creative Mandala Patterns: For the Enthusiastic Artist, Ideal for Relaxation and Stress Relief

Mandala designs are a work of wonder. Even though the pattern is in a circle formation there are many different types of designs that can be created. Creative Mandala Patterns has images covering floral interests, abstract, outdoors, and many other shapes that will excite the colorist. An ideal Christmas gift this beautiful book is one you can give with confidence. All hand drawn images developed during November 2015.
