

Renewing the Christian Mind: Essays, Interviews, and Talks

From Dallas Willard, one of the most important Christian intellectuals of the twentieth century, comes a collection of readings, interviews, talks, and articles—many previously unpublished. In his groundbreaking books *The Divine Conspiracy*, *The Great Omission*, *Knowing Christ Today*, *Hearing God*, *The Spirit of the Disciplines*, *The Divine Conspiracy Continued*, and *The Allure of Gentleness*, teacher, philosopher, and spiritual guide Dallas Willard forever changed the way many Christians experience their faith. Three years after his death, the influence of this provocative Christian thinker—a man devoted to reestablishing the exalted place moral reasoning once held in the academy—(Christianity Today) remains strong. Compiled, edited, and introduced by his friend and fellow theologian, Gary Black, Jr., *Renewing the Christian Mind* is a collection of essays, interviews, and articles that brilliantly encapsulate Willard's spiritual philosophy and his contributions to theology. *Renewing the Christian Mind* offers insight into spiritual formation, avocation, and theology, and includes sections directed at specific audiences, from church leaders to laypeople looking for spiritual counsel and nurture. Reasoned, honest, thought-provoking, and illuminating, this important anthology is an invaluable introduction and companion to Dallas Willard's acclaimed body of work.
