

Bastards Persecution

Jake Chambers wants nothing more than a normal life in his town of Fairview, Maine. But his mothers divorce and second marriage to Jakes stepfather angers the local conservative church. The persecution that plagues Jakes family is cheered on by the almost legendary Pastor Boatwine and his congregation. When Jake experiences a terrible loss at the hands of the church, he does what any fourteen year old boy would do: he doesnt think; he acts. A touching story about a boy and his crusade against the horrendous effects of religious mass hysteria.
