

Talk Like TED: The 9 Public-Speaking Secrets of the Worlds Top Minds

Ideas are the currency of the twenty-first century. In order to succeed, you need to be able to sell your ideas persuasively. This ability is the single greatest skill that will help you accomplish your dreams. TED Talks have redefined the elements of a successful presentation and become the gold standard for public speaking. TED—which stands for technology, entertainment, and design—brings together the world's leading thinkers. These are the presentations that set the world on fire, and the techniques that top TED speakers use will make any presentation more dynamic, fire up any team, and give anyone the confidence to overcome their fear of public speaking. Public speaking coach and bestselling author Carmine Gallo has broken down hundreds of TED talks and interviewed the most popular TED presenters, as well as the top researchers in the fields of psychology, communications, and neuroscience to reveal the nine secrets of all successful TED presentations. Gallo's step-by-step method makes it possible for anyone to deliver a presentation that is engaging, persuasive, and memorable. Many people have a fear of public speaking or are insecure about their ability to give a TED-worthy presentation. Carmine Gallo's top 10 Wall Street Journal Bestseller *Talk Like TED* will give them the tools to communicate the ideas that matter most to them, the skill to win over hearts and minds, and the confidence to deliver the talk of their lives.
