She wanted to change one thing in her life. But what happens when one thing turns into everything? Jen Hauser had no idea that waking the sleeping dragon of her dormant love life would unleash a sexual revolution extending far beyond the sanctity of her marriage and family. Mark Hauser had much more than his libido aroused when his wife showed up with a transformational makeover. How could they know their searing new passions would lead to a legacy of life-changing family secrets touching everyone they knew and loved? Volume 1 contains books 1-3 of FAMILY SECRETS, a seductive saga from USA Today bestselling author Layla Wilcox, plus two bonus scenes. Each story continues the series, but there are no cliffhangers and happy endings are guaranteed. This book was previously published as My Secrets Collection. Intended for readers 18 and older only.
