

Knock Out and Tap Out (Harlequin Sports Romance)

THESE CHAMPIONS MAY HAVE FINALLY MET THEIR MATCHES--BOTH IN AND OUT OF THE BEDROOM. KNOCK OUT Keane OShea is unbeatable in the octagon. A former marine, he fights with a ruthlessness no gym jockey can match. And he knows his brutal strength is too much for ring card girl Logan Rettino. Regardless of how fascinating he finds the ex-ballerinas tight dancers body. But one private performance and hes drawn to her in a way he cant--or wont--resist. TAP OUT MMA champion turned model Caden Kelly is hell-bent on reestablishing himself as the best fighter in the country. Hed been on a roll until loudmouth reporter Sophie Morelle hit him on the head with a camera on national TV. The headaches hes suffered since are nothing compared to how he feels when she shows up seeking an exclusive. That Sophie is gorgeous is undeniable...but shes also the most infuriating woman hes ever met.
