

Unforgettable: A Billionaire Romance (Gentlemen's Club Book 1)

Can an older man be everything Krista™s been looking for? Krista Michaels™ dating life has been non-existent since her divorce a year before. When her best friend steps in and declares it™s time for a night out at the newest May/December hang-out, The Gentleman™s Club, Krista enters a whole new world and lays eyes on a man who leaves her speechless. Neil Clark likes younger women and having a good time. Krista catches his attention right away, From their first conversation, he can tell she isn™t a woman to simply play with. One problem: Krista isn™t interested, or so she says. But Neil isn™t about to let her slip away. Krista™s heart and mind battle it out as Neil does his best to win her over. But they have one huge difference in what they want out of life, and Krista isn™t willing to give up her values, not for a man, not for money, not for love...
