

The Imams Daughter

Hannah Shah is an Imams daughter. She lived the life of a Muslim but, for many years, her father abused her in the cellar of their home. At 16 she discovered a plan to send her to Pakistan for an arranged marriage, and she ran away. Hunted by her angry father and brothers, who were determined to make her an honour killing, she had to keep moving house to escape them. Then, worst of all, in her familys eyes, she became a Christian. Some Muslims say converting from Islam is punishable by death...One day a mob of forty men came after her, armed with hammers, sticks and knives...with her father at the front...The Imams Daughter is Hannahs gripping - but ultimately inspiring - true story. How, through her courage and determination, she broke free from her background and found a new life beyond its confines - a new life of freedom and love.
