

# The Karma Queens Guide to Relationships: The Truth About Karma in Relationships

Licensed clinical psychologist, intuitive counselor, and upcoming Bravo celebrity Carmen Harra shows readers the power of karma! When it comes to our interactions with family, friends, and the people we live with or work with, the drama can be overwhelming and confusing if we aren't guided by love—the karmic cure for every hurt, rift, misunderstanding, conflict, and betrayal. In her new book *Karma Queen: The Truth About Karma and Relationships*, Carmen Harra draws upon her knowledge of psychology and metaphysics, her experience as a therapist and counselor, and her own relationships to help readers untangle the complexities of their relationships and get the most out of them. This book applies Carmen's ideas to all types of relationships, because she firmly believes that karma affects every relationship in our lives—including whether we ever meet our soul mate. Rich in practical, solid advice, the book will also feature stories drawn from Carmen's new reality show and from her life.
