

From the Heavens to the Heart: Bound Behind the Bank, The Richest Jew in Charleston, and Other True Stories Inspired by the Lubavitcher Rebbe

Nothing happens by accident. Even the leaf falling off a tree and eventually landing on an insect is Divinely guided, says the Baal Shem Tov, the famous Chassidic rebbe and miracle worker. And its all supposed to be for the good. When three muggers surrounded me behind a bank--how was that for the good? This unbelievable yet true story is titled Bound Behind the Bank. The secrets of God are revealed and illustrated by the true stories in this book. The stories offer a glimpse into a world that I never knew existed until age 27--a world of wonders and miracles, rebbes and miracle workers, hope and meaning, a world revealing the concealed God and the Messiah/Moshiach-like Lubavitcher Rebbe. Even though I have written these stories, I still laugh and cry when I read them. Because the stories revolve around Jewish characters and scenes, I have added a glossary to translate the Jewish terms and often give some background. Photographs have been included to enhance the book and save thousands of words. Enough said. What happened to me behind the bank, just simply click open the book and read on. If you enjoy it, treat yourself and your soul to the other stories.
