

The Ranchers Christmas Proposal (Prairie Courtships)

Mother for His Children—Single father Shane McCoy has his hands full trying to run a ranch while raising two-year-old twins. His children clearly need a mother's guiding hand. An encounter with a lovely stranger on a train platform offers an unconventional answer to his predicament when she suggests a marriage of convenience. Tessa Spencer needs a fresh start far from her con man father's schemes. His latest scrape has made her the target of a vengeful outlaw. Shane's isolated ranch provides refuge, and his children easily win Tessa's affections. But as her checkered past resurfaces, only honesty and trust will make this family Christmas the first of many!
