

Chrysalis: The Box Set (A Steamy Romance): The Complete Story of Bries Journey in One Volume!

A young woman with nothing to lose escapes her dreary marriage and her dead end life for New York City. By a stroke of lucks she is taken in by a Fairy Godfather. Chris doesn't think Brie's fat; he finds her voluptuous. Chris doesn't think Brie's stupid; he sees a hungry student. Chris doesn't think Brie's a loser; he sees a diamond in the rough. Too damn bad he's so much older than her! too damn bad he's gay.

But all is far from lost! His cousin, Claire Bader, just might have a position for Brie. She and her bawdy husband Alex know a lot of positions! Brie just might fit in. Petite and polished Claire is enchanted with Brie's luscious curves and wide eyed lack of pretension. Brie's a wholesome blank slate, the perfect protégé for the older and sophisticated Claire. In so many delicious ways! Bewildered and grateful for her good fortune, Brie blossoms under Claire's tutelage. She enrolls in Columbia University and has a dream! She also experiences fleshly pleasures she never imagined! Except things don't go according to plan. A series of devastating events leave her in worse shape than ever. She never should have left Mumsford. Who is she kidding? She's a fat, disgusting, ignorant loser after all. Or is she? What a sizzling, steamy tale of the Big Apple! This sensual contemporary new adult romance is a coming of age story that will resonate with anyone who has to struggle to achieve a dream for a better life! It takes the reader

from the elegant New York City Swingers Lifestyle to depths of despair. Witness Brie transform from a wide eyed innocent college girl to a sensuous woman who struggles to cope with challenges from all fronts. This is so much more than a BBW or plus size romance! It's a realistic coming of age tale of an innocent girl meeting sensuous and experienced men and women who find her a vixen. Anyone who has ever been frustrated by the raw deal life has dealt will find Brie's story exhilarating!
