

Just Past Midnight (Mills & Boon M&B) (Silhouette Shipping Cycle)

THE DARKEST PART OF THE NIGHT IS THE MOST DANGEROUS Stalked for years, Dr. Darian West has become an emotional recluse, a woman at the mercy of a skilled killer. Threats to her family have kept her silent, but every man who has become involved with Darian has paid the same fatal price. All but closed off from life, she lives a solitary existence until a chance meeting puts her next suitor in harms way. Convinced his brother died at Darians hands, Richard Berkley has vowed to avenge his death. Hell stop at nothing until he exposes the wealthy psychologists deepest secrets and her darkest fantasies. But as passion erupts, the killer lurks in the darkness, waiting until Just Past Midnight to strike.
