

Madinah Arabic Reader: Book1: Islamic Childrens Books on the Quran, the Hadith and the Prophet Muhammad

Professor Abdur Rahim's eight-volume texts enable the student to acquire a knowledge of Arabic in the classical structural form. All of the books teach essential language skills through applied grammar. Each lesson is based on a conversation which illustrates distinctive language patterns. A variety of exercises helps the student to understand and master each of the patterns occurring in the lesson. The vocabulary ranges from classical and Quranic Arabic to words and expressions current in modern Arabic. This series of books is currently being utilized at various schools to prepare students for the University of London (UK) GCE O-Level and A-Level examinations.
