

Shattered Lantern: Rediscovering a Felt Presence of God

In *Shattered Lantern*, his second book, Ron Rolheiser addresses the prevalent agnosticism that blocks our awareness of the holy. In our culture, he says, we have murdered God. We have icons in our churches but not in our hearts. His goal is to reawaken our sense of God all around us. Using clear language to describe the spiritual quest, he offers a prescription to keep our lamps lit and spark our sense of wonder. Faith is deeper, he says, than imagination and feeling.
