

## Sensational after 60: Loving Life All Over Again

You're approaching an age when your career may be behind you, and perhaps various relationships, as well. Your grandchildren are leaving home. Your children became adults years ago. It's the aging thing, the dreaded A word. But if you're dreading another candle on your birthday cake, then take some tips from author Shirley W. Mitchell. Teaching women how to live a sensational life after 60 is her passion. She's succeeded dramatically, and says that any woman can do the same! In her new book, *Sensational after 60*, Shirley addresses a host of important issues, from medical concerns to coping with the loss of a spouse. Making her case that this new season of life is a supremely rich rite-of-passage, Shirley walks the reader across the stage of age, and argues forcefully that in reality, it's your moment to shine. Learn how to embrace changes like: Grandparenting, Nutrition and Health Choices, Unexpected Opportunities and Challenges, The End of a Marriage and Finances. Most of all, you will learn that your future is immeasurably bright. Greet it with a smile!
