

# Career Development Interventions with MyCounselingLab with Pearson eText -- Access Card Package (5th Edition) (Whats New in Counseling)

NOTE: Before purchasing, check with your instructor to ensure you select the correct ISBN. Several versions of Pearsons MyLab & Mastering products exist for each title, and registrations are not transferable. To register for and use Pearsons MyLab & Mastering products, you may also need a Course ID, which your instructor will provide. Used books, rentals, and purchases made outside of Pearson If purchasing or renting from companies other than Pearson, the access codes for Pearsons MyLab & Mastering products may not be included, may be incorrect, or may be previously redeemed. Check with the seller before completing your purchase.

This package includes the bound book and MyCounselingLab® with Pearson eText. This comprehensive, top-selling text presents theories, assessments, planning tools, resources, and technologies relevant to modern career development in a practical approach that shows theory and research in action. With four chapters devoted to career development in educational settings, it analyzes the various aspects of career development interventions for the elementary, middle and high school, higher education, and community audiences, and provides strategies for implementing career counseling techniques and creating and designing career development programs. The new edition of Career Development Interventions features a stronger emphasis on the elementary school level,

up-to-date coverage of the use of technology in career guidance/counseling, including the use of social media for job seeking, and the addition of new case studies and practical assignments throughout. **Personalize learning with MyCounselingLab®** MyCounselingLab® is an online homework, tutorial, and assessment program designed to work with the text to engage students and improve results. Within its structured environment, students see key concepts demonstrated through video clips, practice what they learn, test their understanding, and receive feedback to guide their learning and ensure they master key learning outcomes.
