

A Baby for the Billionaire (BWWM Pregnancy Romance)

I needed to produce an heir to inherit the family company, I never bargained for a family of six. Napa Valleys richest playboy and most eligible bachelor, Brent Ellison, will do anything to keep his family business. When he meets Annalise Bartlett, he cant resist his animalistic urges to keep his hands off of her. She might not have flashy diamonds, but she has a sparkling personality with irresistible curves that he cant see past. But when he makes a deal with the devil, hell find out that his perfect road map to the family fortune is a route with a dead end. Theres no backing out until the unthinkable happens. A Baby for the Billionaire is a stand-alone full-length novel with no cliffhanger. As a special thank you to my readers, two bonus stories are included as well.
