

Untouchable: The Cocktail Party: Part 1 of Book 1 (Siris Saga)

Siri Wright is a Vegas Diva. She lives a life most people only dream of. She's a celebrity and she is UNTOUCHABLE. She is a confident, sexy, headstrong, take no prisoners kind of girl. Aurelius (Aurei) Moore is a military pilot, an alpha male who knows what he wants and makes it happen. He's an honest asshole and most women call him explicit names for that reason, and that's the way he likes it. Keeps his love life easy. Simple. He f**ks for fun. From the first time he lays eyes on Siri, he knows he will have her. She's UNTOUCHABLE? Game on! *****

*****But then ... Siri accepts a last minute invitation to a cocktail party from TD, a colleague at her temp job in Alabama. TD is short for Thomas David. He's a real prick, who charms the ladies with TD stands for Touch Down. It's pointless to resist. I always score. He's a spoiled, self centered, self serving bastard! The world revolves around him first and everyone else after that. When they arrive, Siri learns first hand how TD has worked his angle and discovers she's been snookered and her Rule #1: No Touching is in serious danger! What kind of cocktail party is this? Swingers! Secrets? Everyone has secrets! Some of us are better at hiding them than others! *****The story will mesmerize and captivate you. It is unique and original. You don't want to miss it! Go, Baby, Go! Siri
