

Our Q&A a Day: 3-Year Journal for 2 People

With this one-sentence journal, couples can create a three-year time capsule of their relationship in the easiest way possible. Our Q&A a Day provides a question for every day of the year, with enough space for two people to jot down a one- or two-sentence response. The journal offers a variety of questions; some may address the relationship (Where would you like to travel with your partner?); others suggest writing something about each other (What does your partners laugh sound like?); many are simply questions that each person answers individually (What is your top priority today?). Over a three-year period, both writers can see how their answers compare, contrast, and change as they create a lasting keepsake of their relationship.
