

Waste Management: The New Legislative Climate (Thorogood Reports)

A SPECIALLY COMMISSIONED REPORT

WASTE MANAGEMENT: THE NEW LEGISLATIVE CLIMATE

Caroline Hand MSc

THOROGOOD

This valuable new report explains what all the new UK legislation, directives and regulations mean in practice and what you need to do to stay within the law. Recent far-reaching changes to the law and practice affect everyone – commerce and industry, central and local government, householders. This report is written for officers and managers in both the public and private sectors responsible for: waste management; environmental management; pollution management; and contaminated land management.
