

Coffee, Tea or Me? The Uninhibited Memoirs of Two Airline Stewardesses

Remember when flying was glamorous and sexy, even fun? When airline food was gourmet, everyone dressed up for a flight, and stewardesses catered to our every need—at least in our imaginations? This classic memoir by two audaciously outspoken young ladies, who lived and loved the free-spirited stewardess life, jets you back to those golden days of air travel—from the captain who's as subtle as a 747 when he's on the make to the passenger who mistakes the overhead luggage rack for an upper berth; from the names of celebrities who were a pleasure to serve (and some surprising notables on the bad guy list) to the origins of some naughty stereotypes—Spaniards are the best lovers, actors the most foul-mouthed. This huge bestseller, a First Class jet-age journal, offers a hilarious gold mine of outrageous anecdotes from the high-flying and amorous lives of those busy, lusty, adventuresome young women of the swinging 60s known as stews.
