Praise for the books included in *The FIRSTS*! “A woman finding her strength, a child finding love and support, a healing of family, and a complicated love story.”

“I enjoy Lorhainne Eckhart’s books so much that I bought two complete series.” “Wonderful read if you want to experience all the passions that make real life. For example, love of family, loyalty, honor, indecision, misplaced loyalty, feelings of inadequacy—just the gamut of emotions.” “I love Eckhart’s writing style and her ability to develop a cohesive story line around strong characters is refreshing! I am looking forward to reading more of her books.”

“I just love this series. The Friessen men are truly Alpha men. Don’t get in their way and don’t disrespect their women. They may be hard headed, have to be in charge and control, and will do just about anything for their

families. Dont underestimate them or their women, their love runs deep and true. You will fall in love with each and every one of them.â€• â€”â€œThe emotional struggle was nothing like I expected.â€• â€”â€œAbsolutely Loved this story! Eric is a hell of a man. Abby is one hell of a strong woman and their story is absolutely romantic!â€• â€”â€œThe characters are so real you feel as if you could have an actual conversation with any of them. The only downside to one of Lorhainne Eckharts books is that they end. Do yourself a favor and read a book from this very talented author.â€• â€”â€œOMG, I just love your books once I start to read one I canâ€™t put it down and then when Im finished i go on to the next one.â€• â€”â€œNo matter how much I enjoy a book, I rarely read it a second time. This was one of those rare times. It is one of those rare books.â€• â€”â€œThis is by far one of the best books I have ever read!â€• â€”â€œLorhainne Eckhart always astonishes me with her very real, very fallible characters.â€• â€”â€œCompelling, emotions run high throughout this story.â€• Included in The Firsts: â€œThe Oneâ€•â€¡Book 1 - The Wilde Brothers: What happens when fate suddenly comes knocking on your door? Margaret is a failed surgeon fired from her job now hiding out on her grandfatherâ€™s ranch until one day Joe Wilde, a man she carried a torch for all through school suddenly drives in with a problem only Margaret can help with. Will Margaret be able to put aside her differences with Joe and realize that hes The One? â€œThe Forgotten Childâ€• â€¡ Book 1 â€œ The Outsider Series: Brad
