

Where Men Win Glory: The Odyssey of Pat Tillman

This edition has been updated to reflect new developments and includes new material obtained through the Freedom of Information Act. Pat Tillman walked away from a multimillion-dollar NFL contract to join the Army and became an icon of post-9/11 patriotism. When he was killed in Afghanistan two years later, a legend was born. But the real Pat Tillman was much more remarkable, and considerably more complicated than the public knew... A stunning account of a remarkable young man's heroic life and death, from the bestselling author of *Into the Wild*, *Into Thin Air*, and *Under the Banner of Heaven*.
