

# Need You Now (1001 Dark Nights)

Life is hard. Life leaves you beaten, broken—alone. Then one day, a stranger touches your hand and you feel something intense, unforgettable, but yet, you want to forget. You need to forget. It’s safer than believing in things you’ve decided don’t exist. You know all about shattered promises and lost hope. You know them so much better than you know this excited, warm, wonderful feeling, and it scares you. He scares you, but he also makes you feel alive again. He makes you realize you haven’t really been living. You’re surviving and you fear he’s the one who’ll make you forget how to keep doing it. But what if he’s the one who changes everything?
