

His Christmas Wish: Holland Springs

There's no time like the Present... War Hero, Joaquin Morales, returns to Holland Springs after years of estrangement from his family...and his wife. His new mission: To convince his wife that they have a future together. Falling in love with her husband for the second time was *not* a part of Sage Caswells' plans for the Holiday Season. She's convinced that what they had belongs in the past. With the help of a little Christmas magic (and a well-timed snowstorm), can Joaquin and Sage's dreams come true?
