

Sand, Sun...Seduction!: Enticed//Propositioned//Fevered

What is it about the wrong man that feels so right? Enticed by Stephanie Bond As if attorney Kimber Karltons life wasnt stressful enough, shes a day late and a boat short for her own romantic getaway at a secluded island retreat. Enter rugged rogue Finn Meyers: ships captain, jungle guideâ€sex god. Propositioned by Leslie Kelly Liz Talbot left her cheating husband and demanding career to tend bar in St. Lucia, and nothing could lure her back. Even handsome millionaire Jack Beaumont and his propositionsâ€business and otherwiseâ€cant tempt herâ€or can they? Fevered by Lori Wilde Investigative journalist Macy Gatwick wants Armando Cutler so badly she can taste it. For a story, of courseâ€a juicy exposÃ© about the corporate wunderkinds exile to Costa Rica. But her objectivity and inhibitions dissolve amidst the steam of the jungle.
