As featured on *Deadliest Catch* A fourth generation fisherman, Jake Anderson grew up in the rich fishing environment of Anacortes, Washington. At age seventeen, Jake began salmon fishing in Bristol Bay, Alaska, and by the age of twenty-five he was crab fishing in the heart of the Bering Sea. Soon after, Jake became a deckhand on the F/V *Northwestern* and joined the popular television series *Deadliest Catch*. As an integral part of the show, Jake is known for his hardworking nature that has allowed him to evolve from greenhorn to licensed captain. Aside from fishing, Jake has a harrowing story that has yet to be told. As an avid skateboarder, Jake aspired to become a professional until he was sidelined by injury, addiction, and homelessness. After relentlessly battling back, he was then confronted with the untimely losses of his sister, father, and mentor, Phil Harris. But with depth and maturity, Jake persevered. In his debut book, *Relapse*, Jake serves as an inspiration as he candidly shares his private journey to overcome tragedy.
