Richard Dawkins, author of the best seller *The God Delusion*, has added this wonderful book to his personal library. *Larry Searches for the Meaning of Life* is not for children; it's for thinking adults who aren't afraid to question their own deeply-held beliefs. The powerful story contained within touches on the issues of our time. Scanning from the deck of his expedition's ship, Dr. Scott Price can't believe his eyes when he spots a polar bear in the Antarctic. His colleagues worry he is cracking after receiving news from home: his 6-year-old son is dying and his wife wants a divorce. Scott, a Christian fundamentalist, refuses to allow a stem cell transplant to treat the boy's illness, insisting that God will heal the child. The line

between the living and non-living vanishes when this amazing novel shows you a unique way to view reality.
