

Catch

****Catch is a novella. It should take most readers 1 or 2 hours to read.**** When eighteen-year-old Miranda chases a purse snatcher on the Las Vegas Strip, the last thing she expects is for the pursuit to turn into an extended game of hide-and-seek. All Miranda wants are the old black and white photographs buried at the bottom of her purse. They're the only things she has left of the grandmother she never knew. But how much is she willing to put on the line to save them? And is it possible she's falling in love with a thief?
