

Dangerous Legacy (Love Inspired Suspense)

DEADLY

HOMECOMING Someone wants Maggie Morgan dead and her wildlife sanctuary destroyed. Someone connected to the generations-old family feud that's been revived now that her first love, Flint Crawford, has returned to town. And not only is her life in jeopardy, but Flint has discovered the secret she's kept since he left—their five-year-old son. Assailed by memories of their forbidden love and bowled over by the sight of the son he never knew, Flint has a job to do as the new game warden. But now the stakes are raised. Not only must he protect the woman he once loved, but he also has to save his son—or die trying.
