

Breathless: Edge Of Eternity (BDSM Billionaire)

This is Book 1 of the Breathless, series by Katelyn Skye. Alyssa told herself she held no romantic illusions about what she shared with Lucas. It was a Dom/sub relationship giving her all the passion sheâ€™d only ever got to make up in her books. Now she had the real thing and for the first time, she felt truly alive. But that didnâ€™t make her foolish enough to think that it would last. She could never hope to hold a man like Lucas Edge for long. He was known for his commitment issues and he wasnâ€™t called bad boy billionaire for nothing. Alyssa knew she was just a plaything to him and that at some time, the fantasy would end and it would kill her â€“ but she didnâ€™t let the fear of goodbye overcome her. She didnâ€™t need a promise of forever; here and now was all that mattered. But when Lucasâ€™ ex-fiance Sara shows up again into the scene, Alyssa questions her readiness to settle for less. Could she afford to let Lucas make a choice, or should she gather the last of her pride and walk away from a passion with no promises? It would take the racking of her very own soul to decide!
