Mail-Order

Matchmaking—Newly minted Cowboy Creek sheriff Noah Burgess doesn't want a wife—despite his friends insisting that he needs one. So when they send for a big-city single mother to be his mail-order bride, he's fit to be tied. Even if vivacious Grace Longstreet might just be the only person who can see past Noah's scars—and help him heal. Grace needs a husband to keep her and her twin daughters out of her brother-in-law's grasp. And she'll do anything—including taking on her cousin's identity—to find one. But as the attraction between Grace and the lawman sparks higher, she begins hoping for a real marriage. So she needs to tell the truth—or a mail-order match that's meant to be could crumble.
