

Helicopter Pilot Oral Exam Guide (Oral Exam Guide series)

This indispensable tool prepares helicopter pilots for their one-on-one checkride with an FAA examiner. Answers to the most commonly asked questions, clarification on the requirements of the written and oral portions, and study material for the exam are provided, and topics covered include certification and documents, helicopter flight-controls, weight and balance, and emergency operations. This volume of the Oral Exam Guide Series is intended as a helicopter-specific supplement to the and is meant to be used along with the corresponding Oral Exam Guide book for Private, Instrument, Commercial, CFI, or ATP, depending on the specific license the applicant is testing for. The material is presented in a question-and-answer format, providing the questions the FAA checkride examiners are most likely to ask along with comprehensive, easy-to-remember responses. This guide teaches not only what to expect on the helicopter pilot oral exam, but also how to exhibit subject mastery and confidence while under the examiner's™ scrutiny.
