With old friend Prissy Grant waiting in the bustling city of Kingsport and frivolous new pal Philippa Gordon at her side, Anne tucks her memories of rural Avonlea away and discovers life on her own terms, filled with surprises...including a marriage proposal from the worst fellow imaginable, the sale of her very first story, and a tragedy that teaches her a painful lesson. But tears turn to laughter when Anne and her friends move into an old cottage and an ornery black cat steals her heart. Little does Anne know that handsome Gilbert Blythe wants to win her heart, too. Suddenly Anne must decide if shes ready for love...
