

Quran Teaching Made Simple for Women (Goodword Books): Islamic Childrens Books on the Quran, the Hadith and the Prophet Muhammad

The Prophet Muhammad Storybook-2 takes the reader back to the early days of Makkah when the Prophet reached manhood. It tells of how he became a successful merchant, married Khadija, a wealthy business woman, and then soon thereafter gave up all worldly activities in search of the truth. How he attained prophethood and began his mission is related in a series of fascinating stories. Everything is covered from the first revelation of the Quran by the Archangel Jibril, to the early preaching of the Prophet and the opposition of the people of Makkah. This book then goes on to narrate amazing tales of how Islam began to spread in Makkah. The Prophet Muhammad Storybook-2, meant for 7 year olds and above, encourages children to discover for themselves the message of the life of the Prophet and to find their own ways of applying the Prophet's timeless teachings to their lives. With its colourful, child-friendly illustrations, this book is perfect for reading to your children or grandchildren, and is excellent for use at home or at school.
