

## Without Warning (Elite Guardians)

Taut Writing and Breakneck Pacing That Will Keep Readers Up All Night Katie Singleton, a partner with the Elite Guardians Protection Agency, stumbles upon her next assignment quite by accident. Spotting blue lights at a familiar restaurant, she stops to investigate, only to discover that owner Daniel Matthews has become the target of someone who will go to any lengths to put him out of business. Daniel might be concerned, but hes not convinced that a bodyguard--and a female one at that--is necessary. A new attack and his nieces urgings are enough to make him reconsider. He and Katie must figure out whos behind the intimidation and threats--before a would-be killer strikes again. Witty dialogue and a simmering attraction will have readers flying through this tension-laced thriller. Eason exercises complete control of her readers emotions as they race through the pages to discover the truth.
