

Home Business Tax Deductions: Keep What You Earn

Keep more of your hard-earned money! Completely updated for 2008. Tax deductions are essential to any business, but even more so when your office is also your home. You can spend thousands on an accountant -- or you can turn to Home Business Tax Deductions and do it yourself! Home Business Tax Deductions will help you write off your home office, start-up and operating expenses, vehicles and travel, entertainment and meals, health insurance and medical bills, inventory equipment and much more! The 4th edition is completely updated with all the latest tax information and numbers for 2008, and provides new information on tax planning. Home Business Tax Deductions also covers how to avoid being classified as a hobby business, steer clear of home-business tax scams, stay out of trouble with the IRS and take special deductions if your business loses money.
