

Devotion (Contemporary Submissive Romance)

This is the first book in the Devotion series, a seriously hot and provocative romance by Lucia Jordan, written in her signature style of high passion, searing depictions and emotion. The past year has not been kind to Tiffany Vaughn. Her soon to be ex-husband skipped town in their new car, with all the money in their bank accounts, and Tiffany's now ex-best friend. To make matters worse her job has just been downsized and she is desperate for a paycheck. The only position she can find, however, is in a small company run by the enigmatic and incredibly hot Craig Hughes. Craig is an ex-military man with a scar on his cheek and a hidden dark past. As she works closely with Craig a romance blossoms, one with an edge she had never expected. Be warned that this ebook contains very hot and explicit descriptions of romantic activity and submissive training. Only mature readers should download this book.
