

# Graphology (Teach Yourself): How To Use Handwriting Analysis To Uncover A Persons Darkest Secrets

Imagine if there were a method for discovering the secret information that the people you encounter in your day-to-day life keep hidden from you... Would you be intrigued enough to find out more? Imagine if you could find out if a person: May be lying about something Can be trusted with money Is more narrow-minded than they may at first appear Has a strong work ethic or is likely to be lazy Is reliable Might be cheating on you Suffers from mood swings Is disorganized Keeps their emotions well-hidden Would you like to be able to create psychological profiles of colleagues, friends, acquaintances, partners or potential partners to uncover the personality traits they may be hiding from you? Imagine if there is a system for doing this, which is so simple that even a 10 year old can master it. Graphology (Teach Yourself) is The First Book To Simplify Handwriting Analysis So far, handwriting analysis (graphology) has been kept largely hidden from the public, and only the government and elite groups could benefit from it. Until Now! Graphology (Teach Yourself) covers all the aspects of this fascinating art, and breaks it down so simply that even a 10 year old will be able to master it. You will be shown step-by-step how to analyse a persons handwriting, and what each variation in handwriting reveals about the person. With Graphology (Teach Yourself), you will: Reveal the real nature, personality, and intentions of the

persons who wrote to you Identify traits such as intelligence, egocentrism, violence, selfishness, caring and more Identify persons with high and low self-esteem Identify persons with high sex-drives Get an insight into even the most difficult and reserved persons Identify persons who may be suffering trauma or depression Gain a new understand of your own personality and character Identify conflict and tension in your own handwriting from present and the past And much, much more! Your friends will be mesmerized by your new expertise and youll leave them dumbfounded by your ability to see into their personalities. Youll be able to do this and more in just a few hours after getting Graphology (Teach Yourself)!
