

I Cant Fight This Feeling Anymore

Can a party boy and a responsible businessman really make it work? Bryce is the adorable young thing that Dustin knows he shouldn't want. He should be looking for a man his own age. Someone with a future. Someone with a real job. But no matter how hard he tries, no matter how much he knows that it just won't work, he can't resist those big blue eyes. Dusty is an adult. So unlike any of the party crowd that Bryce hangs around. But after just a brief taste of Dusty's so-called boring, normal life, Bryce is more surprised than anyone to find out that that's the life he wants. No wonder they just Can't Fight This Feeling.
